New laws for Waikīkī signed by Mayor Caldwell

On Tuesday, September 16, Mayor Kirk Caldwell signed into law three bills. Two of them, Bills 42 and 43, pertained directly to Waikīkī. Bill 42, called the Sit-Lie Bill, makes it illegal for people to sit or lie on Waikīkī sidewalks 24 hours a day. Bill 43 prohibits urination or defecation in public.

The Sit-Lie Bill (Bill 42) determined that “Persons who sit or lie down on public sidewalks deter residents and visitors from patronizing local shops, restaurants, businesses, and cultural and art venues, and deter people from using the neighborhood sidewalks in the Waikīkī special district.” First, the Honolulu Police Dept. will conduct an education program to inform the public about the new law but enforcement will begin shortly.

Visitor Industry leaders suggested the Sit-Lie model to Mayor Caldwell during the spring. The concerns of the hospitality industry were fueled by a steady stream of concerns and complaints from our visitors.

After researching the laws application and results in Seattle and San Francisco, the Mayor proposed the concept to the Honolulu City Council. Championed by Stanley Chang, Council Member for the District that includes Waikīkī, and Zoning and Planning Committee Chair Ikaika Anderson, the bills were approved by the City Council by a 7 to 2 vote.

The Waikīkī Improvement Association strongly supported both bills and believes that they will have a major positive impact on Waikīkī.

Left to right are George Szigeti, Jan Yamane, Council Member Stanley Chang, Rick Egged, Paul Kosasa, Council Member Ikaika Anderson and Acting Major Lisa Mann of the HPD.

8th Anniversary Gala to Feature Capt. “Sully” Sullenberger At Pacific Aviation Museum Pearl Harbor’s Fundraiser

“Miracle on the Hudson” pilot Capt. Chesley B. “Sully” Sullenberger, who piloted US Airways Flight 1549 to an emergency water landing in New York City’s Hudson River, will be this year’s guest speaker at Pacific Aviation Museum Pearl Harbor’s 8th Anniversary Dinner Gala on Saturday, December 6, 6:00 to 10.00 p.m. Themed “Destinations & Dreams,” the evening is the Museum’s annual fundraiser for its Education and Restoration projects. Emcee for the evening will be actor, journalist and TV host David Hartman.

Honoree of the evening is the Museum’s past Chairman of the Board Admiral Ronald J. Hays, whose dream was to make the Museum a world-class destination. As Chairman for the past 13 years, ADM Hays has championed the work to restore the historic hangars, the Ford Island Control Tower, and the Museum’s aircraft collection, with a vision toward sharing the history of Pearl Harbor and providing the backdrop for the educational programming that the Museum delivers to young and old.

Museum Executive Director Kenneth DeHoff promises “This will be an evening of tribute as we recognize and honor Admiral Hays for his leadership, and welcome Capt. Sullenberger as our guest of honor.”

The evening will be filled with camaraderie alongside military and community leaders, a book signing by Capt. Sullenberger, fine dining, and entertainment by Cathy Foy, all in the Museum’s 89,000 sq. ft. WWII Hangar 79. Participation as a sponsor or table host helps support the nonprofit’s Education programs which reach 10,000 young people each year, and the Restoration projects that bring history to life.

Sullenberger became internationally renowned on January 15, 2009 for what has been dubbed the “Miracle on the Hudson,” when he and his crew safely guided their US Airways plane to an emergency water landing in the Hudson River, New York City. The Airbus’ two engines had lost thrust following a bird strike. Sullenberger and his crew received international acclaim for their actions, including the passage of a Congressional resolution recognizing their bravery. Sullenberger was ranked second in *Time* magazine’s “Top 100 Most Influential Heroes and Icons of 2009” and awarded the French Legion of Honor. Currently, he is an aviation safety expert and accident investigator, CBS News Aviation and Safety Expert, and founder and chief executive officer of Safety Reliability Methods, Inc., a company dedicated to management, safety, performance, and reliability consulting.

For information and tickets, visit www.PacificAviationMuseum.org or contact Director of Development Carol Greene, 808-441-1006, Carol@PacificAviationMuseum.org. The Museum is located at 319 Lexington Boulevard on Historic Ford Island at Pearl Harbor.

Pacific Aviation Museum Pearl Harbor is a 501(c) (3) non-profit organization. Its mission is to develop and maintain an internationally recognized aviation museum on Historic Ford Island that educates young and old alike, honors aviators and their support personnel who defended freedom in The Pacific Region, and to preserve Pacific aviation history.
